- There is one God
- God exists eternally in three persons, the Father, the Son and Holy Spirit
- God the Son is Jesus, the Christ
- God the Son, is the pre-existent Creator of everything
- Immaculately conceived, born of a virgin and completely sinless, Jesus is God with us
- Jesus, the Christ is the one and only way to have authentic and eternal relationship with God
- Jesus is the head over all things to the Church
- People are eternal creations. Their eternity will be spent in a real Heaven or in a real Hell
- For people to spend their eternity in Heaven they must be 'born again'
- Second birth occurs through true faith in Christ alone as Savior and Lord
- God the Holy Spirit dwells in the elect
- Second birth is always sealed and evidenced by the indwelling and working of the Holy Spirit
- Family is created by and for God
- Biblical marriage is God's union of one man and one woman
- Biblical households are God's greatest venues for evangelism and discipleship
- The Bible is the inspired, completely true and infallible Word of God.
